## Recent Operations

By Paul Rardin

Wideman's brevity, it appears to us, is a much more serious thing than we listen to those who claim to know and last Saturday looked like a minor thing but when the wire was crossed well, even in the money.

Well, smiling, affable Jim Lee, for four years was the people of the state as its comptroller. When a public official fulfills his promise, as did Jim Lee, it makes it mighty hard to unseat him.

The length of the ballot in the first primary made the counting and tallying exceptionally slow but even at that there was not much excuse for there being three and four days in getting the results into the proper officials at the county seats. In some precincts in the state nearly a week elapsed before the result was known. Even at that it was much more than the old second-choice system used in this state a few years ago; in time we hope to see the present system relegated to the scrap heap. What is the remedy?

The candidates are shelling the woods again. On last Tuesday night, Fred Cone, in a state-wide hook-up, opened his guns in the second round of the primary. The Democratic nomination for governor, the Petway supporters throughout the state have been holding house-warming parties and trimming their sights for the last battle and between now and the closing of the polls on the night of June 23, the workers and supporters of both candidates will shell the woods.

Only 16 names on the ballot in the runoff election but only a few hours will be required to count the votes.

Evolution of a man's ambition: to be a circus clown, to be a kid, to be a fireman, to do something noble, to get something, to make ends meet, to get the old-age pension. Exchange.

ALL BUT TRUE

A Pennsylvania farmer was introducing his family of boys to a visiting governor. "Seventeen boys" exclaimed the governor. "And all Republicans I suppose?"

"All but one," said the father proudly. "They're all good Republicans but Fred, the little rascal, he got to readin'."

Some much needed road work is being done here by Constable Benson Doyle Crocker. Lake Front Drive is being resurfaced with asphalt and shell rock. Heavy traffic during the vegetable season the road up in places and the commissioner is taking advantage of the quiet season to make the needed repairs.

The district held on Thursday evening last week at the American Legion pavilion in Pahokee sponsored by the service and civic clubs of the county and Canal Point for the benefit of the underprivileged children's dental clinic, was well attended and quite a neat little affair. These organizations are greatly interested in the general welfare of the children of this community and have received from the dance will be used in giving them free dental service.

**Bell Sues Townsend Organization For \$50,000 Damages**

W. D. Bell, of Arcadia, defeated by J. H. Hadden, Lakeland, for Democratic nomination for congress from the first district has filed preliminary papers in a civil suit in Arcadia for \$50,000 damages against Old Age Revolving Pension, Ltd., the corporate name of the Townsend organization. Bell refused to comment on the case, saying a declaration and bill of complaint would be filed in a few days, and that he would make a statement at that time. Prior to the June primary, Bell had been actively before numerous of Townsend clubs throughout the state.

## PETTERAY AND CONE ARE TO RUN IN SECOND RACE FOR DEMOCRATIC NOMINATION FOR GOVERNOR ON JUNE 23rd.

### SWIMMING POOL IS PLANNED FOR TOWN PAHOKEE

American Legion Post To Foster The Project; Cost \$5,000

In the near future Pahokee will have an up-to-date swimming pool, that is if the best laid plans of the Manifold Post of the American Legion Post are carried out. At a meeting of the post on last Tuesday night that body went on record as favoring the plan and a movement was started immediately to raise the necessary funds for its construction. The Legion owns suitable land adjoining the pavilion which is close in and located as it is on the main highway makes it possible to place the pool in a place to indulge in that popular sport. A donation of \$500.00 was reported at the meeting Tuesday night and it is expected that a pool, constructed in a manner that would meet with the approval of the State Board of Health, would cost in the neighborhood of \$5,000.00 and this amount was set as the goal for the post. The pool would be a gradual one, ranging from \$25.00 and these bonds are to be drawn in the rate of \$5.00 per month, payable annually and it is hoped that this amount may be placed with patriotic citizens in this immediate territory. Our informant tells us that the pool will be constructed of concrete with a gradual incline ranging from a few inches to about 10 feet, this will allow ample swimming facilities for the little ones as well as the grown-ups. Dressing rooms and other conveniences will be placed in the building which will be 40 x 80 feet; the building will house the pool will be large and roomy with sufficient space for spectators.

For years the citizens of this particular section have looked forward to such a amenity, where they could enjoy swimming, with convenience, without going miles to get pleasure and now that the Legion has taken hold of the matter we believe that we are safe in making the prediction that the pool will be built in short order.

When the saleman comes around for your contribution don't forget to tell him that you can purchase two bonds.

### GIBBENS SPEAKS TO ROTARIANS

R. T. Gibbens, Jr., who is in charge of the United States Sugar Cane Testing station at Canal Point, held a meeting at the regular meeting of the Pahokee Rotary club. Mr. Gibbens spoke at length on the subject of the sugar cane industry and the importance of the station and all members of the club were interested in his message. Cups to be awarded to the outstanding boy and outstanding girl in the Pahokee high school Senior class were presented to members of the club. Paul Rardin, secretary of the club, was instructed to have them properly engraved before presenting them to the school where they will remain permanently.

### Oversea Highway To Cost \$4,300,000

Confirmation of an earlier graph message was received by Governor Shotts and Congressman Wilcox early this week that the Oversea Highway project in principle the PWA project to rebuild a 115-mile "oversea highway" with the keys connecting Key West with the mainland at a cost of \$3,300,000. While this southernmost city in the United States celebrated the presidential inauguration, subject to changes in engineering, the completion of the statements of its significance were issued from various official sources. Thomas D. Orr, director of the WPA, predicted that rebuilding and improving of the highway would make Key West among the most established of the nation's playgrounds. Key West's mayor, Harry C. Brown, promised a new era of prosperity with the completion of the highway as its only chance to replace industrial abandonment with the establishment of a "world-famed tourist resort."

### Man Has Narrow Escape From Canal

Lantana Citizen Kicks Window Out After Plunge

George Waddell of Lantana escaped death after his car plunged into an Everglades canal by kicking a window out of the automobile and escaped unscathed. Sunday, sheriff's deputies in West Palm Beach reported Monday.

They were told Waddell's car and a truck sidwiped each other in an early morning foray on the Belle Glade road between Twenty Mile Bend and Six-Mile bridge, his car going into the roadside waterway.

### Was Nominated

Jim Lee, who was re-nominated in the June 23 primary for another term as state comptroller.

### WILCOX DRAWS REVISED BILL TO AID CITIES

Florida Congressman To Press For Enactment At This Session

A new municipal bankruptcy bill was introduced last Monday by Congressman Wilcox, of Florida, who said he would press for enactment of the measure.

Drafted in conformity with the Supreme court's recent decision in the case of the City of St. Paul, the bill would extend its provisions to municipal debts in existence at the time of its enactment.

Wilcox said he believed the bill would be passed by the legislature which the court ruled was in violation of the constitutional prohibition against impairing the obligation of contracts.

The measure would ratify all proceedings which municipalities began under the original act to refund bonded indebtedness.

Mr. Wilcox said he would ask for a committee hearing this week.

### Johnston Appointed As County Attorney

Well Known Lawyer Is Named Saturday By Commission

Appointment of Harry A. Johnston, prominent West Palm Beach attorney, as county attorney, was announced by the American Legion as county attorney, marked a special meeting of the county commission Saturday.

The appointment was made on motion of Commissioners C. Y. Boyd, Delmy Beach, and John Johnston, who were present at the meeting. Mr. Johnston was named by Chairman A. A. Johnston.

Called to the meeting, Johnston was informed of his appointment and directed to take over the records from Albert Rankin, Jr., who has been acting as county attorney since the resignation of his father, Albert L. Rankin, Sr. Mr. Johnston was born at Jacksonville, service in the World War and was graduated from the Law College at the University of Florida. For the last 12 years he has practiced law in West Palm Beach and is a member of the law firm of Geisley, Johnston & Lillienfeld. He has never held public office.

### RALLY IN BELLE GLADE, PAHOKEE WEDNESDAY NITE

Four Groups of County Candidates Will Take The Stump

Officials of the Democratic Executive committee in West Palm Beach yesterday morning announced political rallies to be held in Belle Glade and Pahokee next Wednesday night. The candidates will speak first in the Legion pavilion at 8 p. m., and proceed to Belle Glade where the meeting is scheduled for 8:30 p. m.

In the group will be Jim Franklin and J. L. Orr for supervisor; registration: Stephen Sprunt and Tom Campbell for collector; Russell Morrow and Jack Zimmer for representative in group one; Herbert Beck and Paul Rardin for representative in group two. It is also thought that representatives of the other two groups, Fred Cone, candidate for governor, will appear on the same program.

The Wednesday night meeting in Pahokee will be held in the American Legion pavilion and the Belle Glade meeting will be held in the City Hall yard where the speakers stand has been erected.

### Wilcox Thanks Voters Of The Fourth District

"I wish to express my deep appreciation for the vote of confidence given me by the people of the Fourth Congressional District. I shall take this vote to mean both an endorsement of my service of the past three years and an encouragement to continue the same vigorous and aggressive but conservative representation for another two years."

"I want to express my gratitude to the thousands of my friends who stood loyally by me in this campaign."

"To those who could not support me, I desire to say that I am the representative of all of the people of this district, regardless of how they may have voted in this election. I want them all to continue to me freely for whatever service I can render them. We are all interested in the same humanization and the same justice. I think we may not always agree upon the methods by which these objectives should be accomplished. I should like to meet with those who have differed with me on these questions and undertake by friendly discussion to work out plans for accomplishing these great objectives."

### Palm Beach County Paves Way To Cooperate With Security Act; Appropriation Made By Board

Palm Beach county commissioners last Monday paved the way for payment of the first bill for the county to the National Security Act, appropriating \$3,600 for the July through September quarter.

The money to be matched in an equal amount by the federal government, will be used to carry out the plan to establish a relief relief, according to Miss Helen Graham, director of the District Ten Board of Social Welfare.

The average pension payment will be \$16 per month, although payments will vary with the amount of need, as determined by a survey to be made by the district office. Persons to receive payments must be over 70 years of age and have lived in the county for the past year.

The county will be turned over to the state welfare board, and all of the money will be used for pensions and not for other relief relief or on the lists of other agencies, commissioners said. The pension system will have no effect on poor farm inmates. Miss Graham pointed out, unless some one now living on the farm could be persuaded to leave and go to the county welfare board for a share of the county's pension.

Operation of the pension plan is contingent only on acceptance by all counties in Florida. If one county fails to participate, none of the other counties can do so. Mr. Johnston, Oklawaha, St. Lucie and Broward counties made an announcement to cooperate.

Miss Graham announced that in the event the plan did not become operative July 1, the county will be refunded to the county.

Other business handled by the board included an agreement to lease to the state a plot 50 by 150 feet at the new airport, near the Southern boulevard.

Dances to be held for an administration building as a motor plant. The plan for the state motor plant system is also planned. The future of the commission, called on the part of the state to advertise for bids on bonds of the cross-state highway issue. About \$11,000 is available to purchase past due or current bonds at the lowest market price, under terms of the issuer's bid, according to the plan. No future securities of the issue are to be purchased.

Delegation of official bonds to the county funds was delayed until the next meeting, to enable the new Lake Worth National bank to sign papers. Delegation for a share of the county's pension.

### BECK AND RARDIN IN 2ND PRIMARY

Herbert D. Beck of Belle Glade and Paul Rardin of Canal Point will go into the second primary on June 23 to determine who shall be representative in Group Two. Earl Smith was high man in the first primary and was trailed closely by Mr. Beck. Rardin received 3,658 votes while Mr. Beck received 2,562. Rardin led in the Belle Glade precinct and also on the coast.

### Pettyway Denies Administration Aid Acknowledges Appreciation For Vote Received In Governor's Race

Judge W. Raleigh Pettyway of Tampa, who has been elected to the office of state comptroller, said today that he had no administrative aid in his campaign for the office.

He said, "My deep gratitude to my many fine friends in all parts of the state for the splendid support which they gave in my fight."

"To my friends who helped me and voted for me, I express my warmest gratitude," Pettyway said in a statement issued at campaign headquarters in Jacksonville.

"The democratic vote of this state I express the desire and hope for their support in the second primary."

"My campaign thus far has been based upon the belief that the people of Florida are tired of the present administration and are desiring a change in leadership. They are tired of the present administration and are desiring a change in leadership. They are tired of the present administration and are desiring a change in leadership."

### \$770,000.00 IN U. S. BONUS BONDS TO ARRIVE TUESDAY

Bonds To Be Distributed In Palm Beach County; Instructions

It was announced last week by the treasury department of the United States that the first shipment of bonds for the World War Veterans would be placed in the mails in time for them to reach their destinations on June 23. The bonds are due to be paid on June 15 but an account of the large number to be issued, it is thought that at least two weeks will be required in making the deliveries.

Although no exact figure is available, it is estimated that the veterans in Palm Beach County would receive \$775,412.12. The bonds were based on reliable figures from the Veterans' administration and other federal agencies and are believed to be fairly accurate.

The bonds will be dated June 15, 1936, and will mature on June 15, 1945, but shall be redeemable at the option of the veteran or his estate at any time, at such places, meeting points, or on the date of the treasury shall place the bonds in the hands of the veterans.

As soon as a veteran receives his bonds, he may take them to the local post office and apply for cash payment. The local postmaster will forward the bonds to the federal reserve bank in the city of Washington, D. C., and the cash will be paid to the veteran.

If a veteran chooses to hold his bonds as an investment, he may hold them until he wishes to cash them. He may cash them at any time after 1915. He may, if he chooses, hold the bonds, drawing interest on them, until he wishes to cash them. But no interest will be paid a veteran who cashes his bonds before the end of the first year, and no interest will be paid after 1915.

Whipping cream should have 30 percent of fat or better. It should be kept cold right up to the time it is whipped. If it is warm, the fat globules will run together, just as they do when cream is churned into butter. Even if the cream is cold, if it is put into a warm bowl and whipped with a warm beater, it will not hold the air necessary to make it fluff up. In hot weather put the bowl and whipper into the refrigerator to chill and stand the bowl in ice water as you whip the cream.

The parents of Charles Sidney Chaplin both were well-known English stage performers.

#### He Socked Her Like A Gentleman And She Took It — Like A Lady

Carole Lombard will be seen at the Prince theatre next Sunday and Monday in Universal's brilliant sophisticated comedy "Love Before Breakfast," which reveals her as a modern young lady who demands the right to her own opinions, even when they include the desire to marry two young men. The fun begins when one of her suitors gives her a black eye accidentally. From that point, every time he tries to win her favor, he does something else which stirs her wrath more. Her spoken lines snap like a whip, crackling like static in a lightning storm. If you have laughs, prepare to shed them now. Vote the five star comedy ticket, depositing your ballot at the Prince theatre box office. C'mon over. Special Note to the Ladies: Wait until you see the gorgeous new fashions Carole Lombard wears!
